<b>Summary of reasons for classification:</b>	The computer image file printout <i>Photograph 18</i> is classified as: Objectionable.

The publication promotes and supports the use of urine in association with sexual conduct. The image focuses closely on a woman in fetish clothing who urinates in a manner that invites a sexual interpretation. The act of urination is presented in a manner that is intended to sexually arouse the viewer.

The classification of this publication interferes with the freedom of expression, as set out in section 14 of the New Zealand Bill of Rights Act 1990. This outcome is consistent, however, with Parliament's intention that publications falling under section 3(2) of the Films, Videos, and Publications Classification Act 1993 are deemed to be objectionable.
